

St. Stephen Outreach Grant

This is a one time only grant for new outreach programs. This is seed money, not ongoing financial support. Outreach programs that are eligible will utilize the gifts we have been given for the mission of the Church in reaching out to the communities of the diocese and beyond in the name of Jesus Christ by helping to address the issues of society as we share in word and deed the Good News of salvation in Christ Jesus. Outreach is one of the Evangelism Ministries of the Church. Emphasis is on outreach programs which foster participant empowerment or which address issues affecting poor and oppressed persons. An additional goal is the active community involvement in outreach ministry of members of the Episcopal congregation requesting the grant within or outside the Diocese.
